

WHY SCOO HAS 13 HAPPY MEMBERS

Thanks to the family of Past Commodore George Duffie for providing the site of SCOO's 1st **Nautical Flea Market** on Saturday, May 7th. Thirteen SCOO members showed up, displayed their wares, and successfully rid their boat lockers and garages of treasures the shoppers were seeking. Among the many items that went to good homes were a dinghy motor, a small runabout boat, lots of rope, many anchors, electronic equipment, and miscellaneous boat parts. All participants agreed that the location at 904 First Avenue was the perfect site for our flea market and that they had a fun time selling and kibitzing with buyers and other club members.

Those participating were *Chad and Jill Beetcher (Salty Noodle)*, *Carol Small (Mildred)*, *Bill Chaplik (Blue Comet)*, *George Dufek (Andiamo)*, *Jerry and Donna Luh (Bluejacket)*, *Ken and Lou Ann Roberts (Godspede)*, *Dennis Marlin (Marlin)*, *Rick and Sue Fears (Miss Adventure)*, and *Richard Righter (The Olive)*.

Past Commodore Dennis Marlin relaxes after a big sale.

SCOO member Stu Robinson and his pal Arrow visited.

Shoppers also brought their four legged friends.
